## longways duple minor

### Colin Hume (1991)

- A Ones set and two-hand turn halfway and open to face neighbors. Neighbors set and two-hand turn halfway and open to face across set.
- B Partners back-to back. All take hands, circle left halfway, pull in towards partner, and fall back.
- C Open ladies chain over and back; men cast left to receive the approaching lady.
- D Ones cross, cast, and half figure-eight up while twos wait, half figure-eight up, and lead up, all ending in progressed places.
